George sent his edits yesterday and I will ensure his input is included.

Lydia,

Do we have input from George? I think Cindy is working on the final version? If so, then when Cindy is done with our edits, email it to Page and copy to Susan.
What you think?

Hey Lydia,

When we spoke yesterday, you said you had a few paragraphs to incorporate into the EXPLO Brief/Update. Would you like me to try to polish up the document a bit? It would be better to make edits on the entire document rather than in parts. Let me know if you can send me all the edits, including your input so that I can help the document flow a bit better.

THANKS!
